MEMORANDUM FOR: NIO for Strategic Programs
FROM: Director of Central Intelligence
SUBJECT: NIE 11-3/8

Thanks for your memo of 4 May on the sensitivity excursions for NIE 11-3/8. I'm going to keep the paper you sent me with my copy of the NIE. I'm very pleased to see that we have these excursions; they certainly lay a basis for an even more exciting presentation in next year's estimate. If we work these in with the basic text, we can take a big step towards explicating the issues so that decision-makers can better see their options.
